

# Membership Terms and Conditions

## Membership

Membership of The Contractor's Club is open to fencing contractors who are looking to grow their contracting businesses.

Pearl Fencing will take up references to assess the suitability of applicants.

Acceptance of applications is at the absolute discretion of Pearl Fencing.

## The Contractors' Club - Warranty inclusions:

12-year cover from the issue date of The Contractors' Club completion certificate. Warranty applies to manufacturing defects of Pearl Fencing products, including applied finishes (provided galvanizing and powder coating are applied by Pearl Fencing).

Galvanizing guaranteed for 12 years.

Powder coating guaranteed for 5 years.

## The Contractors' Club - Warranty exclusions:

1. Reaction to concrete, hi-alumina or ground contamination.
2. Evidence of abrasion or impact.
3. Products that have been relocated from original installation.
4. Exposed steel from cuts that are not treated in accordance with BS EN ISO 1461:1999 (Data sheet available).
5. Influence from aggressive industrial atmosphere, extreme atmospheric exposure (refer to the Zinc Millennium Map) or exposure to temperatures in excess of 70 degrees Celsius.

## The Contractors' Club - Members responsibilities:

The Contractors' Club warranty covers manufacturing defects. Installation defects are the responsibility of the installing contractor.

To minimise installation defects all installations must be carried out to BS 1722 part 12.

It is the responsibility of the installation contractor to ensure that client is satisfied with the installation and obtain a completion certificate signed by client on the handover of the completed works.

The customer's signature on the completion certificate is required to validate the warranty.

## Definitions of coatings failure:

Galvanizing failure (metal corrosion).

Powder coating failure (cracking / peeling of the polyester film).

Please note that fixings and fastenings are not covered by the galvanizing warranty.
